DETAILED ACTION

1. The restriction mailed 05/03/2002 is withdrawn in response to applicants' arguments.

2. A new restriction is made as set forth in this office action.

3. Claim 1-51 are pending in this application.

Election/Restrictions

4. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 1-24, drawn to a method of manufacturing a semiconductor device, classified in class 438, subclass 709.

II. Claims 25-51, drawn to a product, classified in class 257, subclass 301.

5. Inventions I and II are related as process of making and product. The inventions are distinct if either or both of the following can be shown: (1) that the process as claimed can be used to make other and materially different product or (2) that the product as claimed can be made by another and materially different process (MPEP § 806.05(f)). In the instant case the product as claimed can be made by another and materially different process such as a conventional wet etching technique instead of plasma etching.
